

## **If The Shoe Fits Fundraising Initiative or Charitable Donation Program**

**If the Shoe Fits offers shoe parties for women in their homes, offices and even at special events and fundraisers. This is a way for women to get together, try some shoes and have fun! We are pleased to partner with your Corporation or Non Profit group in a unique way to support your efforts to raise money for a good cause!**

Corporations who are fundraising or Non-profit groups that book a Shoe Party in advance of the fundraising deadline (if applicable) shall receive the following benefits:

- 10% of total sales from the Shoe Event(s) will be donated to your fundraising effort.
- If your Shoe Event exceeds \$1200 in total sales you will receive 15% of the total sales made that day.
- For every party booked from your Shoe Event, If the Shoe Fits will donate \$10 towards your fundraising efforts (parties must be booked and held before your fundraising deadline or a minimum of two months from the original shoe event). Any Shoe parties booked and then later cancelled at any point during the fundraising initiative will not receive the \$10 donation.

**\*\*Please allow at least two weeks before date of event to book one party\*\***
